

Good day, Prof. Binuya!

I am Miguel Ivan F. Calarde, student of your class in Digital Signal Processing Section BSCOE 4-4. I apologize for submitting this assignment late. The reason being is that I was selected by the university to compete in the 34th SCUAA-NCR Games that was held from November throughout December.

I was required to attend the various activities such as the opening ceremony, athletes' appearance, solidarity meetings, game day, and most importantly, the training. The university is asking for the professors' consideration in the submission of requirements and attendance of the participating athletes.

I, personally, am humbly asking for your consideration for my late submission of this assignment and other assignments as well. Attached in this submission is the excuse letter signed university's VPAA and within the master list of student-athletes, you can find my name on page 6, number 1 under KARATEDO MEN.

Included in this document are pictures of proof that I competed in the event that was held at the PUP Gymnasium.

Thank you and happy holidays!
